

SALUTE TO ALL ISLAND HANDICAPPED SPORTS, INC. SLED HOCKEY TEAM

HON. PETER T. KING

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, March 22, 1996

Mr. KING. Mr. Speaker, I rise today to salute a very special group of athletes, the All Island Handicapped Sports, Inc. sled hockey team. This outstanding collection of sportsmen has done themselves, and all of Long Island, proud, representing New York at the Wendy's International Sled Hockey Tournament in Hamilton, ON, Canada.

The team defeated Hamilton, 3 to 2, on a goal by Tony Fitzgerald, assisted by Larry Northorn, and two goals by Vic Calise with assists from Larry Northorn, Rich Northorn III, James Abatino, and Tony Fitzgerald.

Downing Kitchener/Elmvale, 3 to 1, the team was led by scorers Fitzgerald, Larry Northorn, Calise, and William Schwarz. Defeating a determined Chicago squad 4 to 2, the team reached the gold medal round against a very tough Kingston, Canada team.

Although downed 7 to 0 by Kingston, the New York team earned the tournament's silver medal. Throughout the tournament, the New York team got stellar goal tending from Ryan Bora, hard-hitting defense from Dr. Stephen Mordecai, William Schwarz, Chuck Albert, and Donald Saracen, and excellent line play from Joey Messing, Vito Giambruno, Zachary Lynn, Gregory Nelson, Anthony Donaroma, Jonathan Rotkin, and Mark Turan.

Every member of the team can be proud of earning the tourney's silver medal. As a fan of the Brooklyn Dodgers, I would like to offer the All Island Handicapped Sports team the following encouragement: wait 'til next year—I know you can bring home the gold.

IN RECOGNITION OF DOROTHY BARNES

HON. RALPH M. HALL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, March 22, 1996

Mr. HALL of Texas. Mr. Speaker, one of the privileges that I have most enjoyed as a Member of the House of Representatives is the opportunity to offer assistance to the hundreds of veterans who reside in the Fourth District of Texas, and today I would like to recognize and pay tribute to someone who has devoted countless hours in this cause—Dorothy Bateman Barnes, whose exemplary service as the Van Zandt County Veterans Service Officer has earned her the respect and gratitude of those veterans who have called on her for help.

"Dottie" Barnes was appointed to the veterans post in August, 1984. A native of Wills

Point in Van Zandt County, she contributed to the war effort in the 1940's while working in the accounting office of North American Aviation. Years of Federal Government service followed, the last 7 with the Department of Defense. Her late husband, Maj. (Ret.) Matthew J. Barnes, was a veteran of World War II and the Korean war, and was wounded in the Korean war and left for dead but managed to escape. This ordeal gave Mrs. Barnes a heightened awareness of veterans' needs and an empathy for their plight.

Known for her dedication, professionalism, and long hours of service, Mrs. Barnes was presented the Outstanding Veterans Service Officer of the Year award for the Dallas Region in 1991, having been selected from 200 officers for the annual award. Commenting on the award, she stated, "My main purpose in life is serving the veterans of this county and anybody else who walks through my door." In addition, she was given a Distinguished Service Ward by the United States Marine Corps League and has received frequent commendations from the Van Zandt County Judges and Commissioners. The county's consultant on the Americans With Disabilities Act stated that Mrs. Barnes "may be one of the best veterans services officers in the country."

Veterans Service Officers routinely provide an array of assistance to veterans—including compensation and pension matters, hospitalization, insurance, transportation, education, G.I. home and farm loans, disability retirement, military records, and others. Mrs. Barnes provides all these services—and more. She works long hours and takes paperwork home with her at night in an effort to provide efficient service to those in need. She organized the first veterans' health screening clinic in the area, which continues to be an overwhelming success.

In addition to the long hours that she devotes to veterans, Mrs. Barnes somehow finds time for a number of other worthy causes. She is a member of both the Canton and Wills Point Chambers of Commerce, a member of the Business and Professional Women's Club, holds lifetime memberships in the Wills Point Historical Society, the Van Zandt County Genealogical Society, and the Van Zandt County Friends of the Library. She served as chairman of the Van Zandt County Historical Commission for a number of years, is the current vice-chairman, and was chairman of the county's Sesquicentennial Committee. She is also a certified nursing home ombudsman and is chairman of the Selective Service Board for the East Texas area.

In recognition of her outstanding service to the county, Mrs. Barnes was named Van Zandt County Citizens of the Year in 1987. She also received an Award of Achievement and Appreciation from the Wills Point Chamber of Commerce and was given an Award of Merit for Outstanding Achievements from the Genealogical Society.

Mr. Speaker, Van Zandt County is truly fortunate to have a veterans service officer with the depth of experience, compassion, and integrity that Mrs. Barnes brings to her job—and a citizen so devoted to community service. Dorothy Barnes embodies the highest ideals of both government service and civic responsibility, and she deserves our profound gratitude and respect. I ask my colleagues to join me today in paying tribute to this outstanding American.

Ms. EDDIE BERNICE JOHNSON of Texas. Mr. Speaker, I ask my colleagues to join me today in a tribute to a great citizen of Texas, Mr. Herbert Allen, Sr., who has been selected as one of the track officials for the Summer Olympics Games in Atlanta, this coming summer.

Mr. Allen is very deserving of this opportunity and responsibility. He has officiated the Texas State High School Track and Field Championships and the Texas Relays at the University of Texas at Austin for the past 6 years and served as referee of the State High School Track and Field Championships. He also officiated the Olympic Trials in 1992, the NCAA Track and Field Championships in 1992 and 1993, the Mobil Track and Field Championships from 1989 through 1995, the Youth National Track and Field Championships from 1992 through 1995, and the Junior Olympics Track and Field Championships last year.

Mr. Allen also coached at Klein High School, taking the Bearkats to the State final-four baseball tournament in Austin in 1983. He was the first African-American baseball coach to take a team to the Class 5A Final Four and was named the Houston Post High School Baseball Coach of the Year in 1983. Later that same year, Mr. Allen coached the North All-Stars to a 5-3 victory in the Astrodome in the Texas High School All-Star Baseball Game. In 1986, Mr. Allen was honored with induction into the Texas High School Coaches Hall of Honor.

Mr. Allen's job this summer will be on the field officiating the long jump and triple jump events, during the Olympic Games, July 22 through August 4. He will also work the Olympic Trials in June.

Congratulations to a great Texan, Herbert Allen, Sr.

ST. PATRICK'S DAY 1996: A DAY OF CELEBRATION AND DEDICATION

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Friday, March 22, 1996

Mrs. MALONEY. Mr. Speaker, we are all looking forward to St. Patrick's Day festivities back home.

For me, the upcoming celebrations bring back memories of the wonderful friends I made in Ireland last year when I accompanied President Clinton on his historic visit to that beautiful country—and of the message they conveyed in their words and actions: We want peace.

For those of us involved with Irish issues, the recent setbacks brought true heartache. But that's why now, more than ever, the United States must stand firm in its commitment to help the Irish people win a lasting peace.

Perhaps our best opportunity to do this is by promoting opportunities for economic growth in Northern Ireland and the Republic. This will
